The Space India in collaboration with Sachdeva Global School, Dwarka, Delhi, will be conducting an inter-school debate competition on August 24 on 'Voice Your Opinion'. The topic for the debate will be 'Is investing Public capital on space science exploration justifiable? Could the money be better spent?' The debate will start from 9am onwards at Sachdeva Global School, Dwarka and will take one participant per school. The participants will be judged by the panel individually on clarity, use of arguments, use of examples and facts, oratory skills and presentation style. Panel of judges will have Prof Inder Mohan Kapahy, commission member, UGC; Dr TR Seshadri, department of Physics and Astrophysics, University of Delhi; Ms Sumana Dutta Sarkar, head of school, Sachdeva Global School, Dwarka; Sachin Bahmba, chairman and MD, Space Group and Shalini Bahmba, Director, Department of Education, Space.
