### BRIEF DESCRIPTION

- Brief Description (in 50-100 words):  
An astronomy showcase and telescopic observation was organized in the UITS school on the occasion of Total Lunar Eclipse. Event was started by the introduction of total lunar eclipse given by the one of the student and after this a skit was performed by the students on same topic. Students delivered the speech on topics "Truth and Myth related to Lunar Eclipse" and "Telescopic Observation". Followed by this a public interaction session was also conducted, by the educator.

Audience enjoyed many activity stalls like- Parachute Making, Crater making, Straw Rocket Race, Tattoo Making, Weigh yourself on different Planets.

There was an interesting corner for the selfie lovers as well, "Selfie with alien and astronaut Rakesh Sharma.

Chand Ka Langar- In this initiative all the presented audience were asked to eat during the lunar eclipse to break on of the biggest myth that is to not eat during the lunar eclipse.

Event was concluded by the naked eye and telescopic observation of the eclipse where audience collected together and witnessed the Blood-red moon!
