BRIEF DESCRIPTION

- Brief Description:
An evening observation was conducted at Sri Venkateshwar International School, Dwarka on 31st January 2018 from 5:00pm to 8:30 pm to view Super Moon- Blue Moon- Blood Moon and understand Total Lunar Eclipse. 200 students and their parents gathered in the school during the evening to have a telescopic view of the eclipsed moon. Activities like hydro rocketry, ring the planets, craters on the moon and comet kitchen were organised for the students as well as teachers.
- Special Highlights of event:
Ms. Nita Arora, Principal of the school addressed the students and gave useful information about lunar eclipse. Mr. Sailander Solanki, Chairman of the school launched the hydro rocket. Students, teachers and parents were amazed to see the view of eclipsed moon.
