BRIEF DESCRIPTION

Brief Description (in 50-100 words): To celebrate the rarest event of the century The Total Lunar Eclipse, a Star Party was organized in the school to witness this breathtaking phenomenon along with some fun activities for the students of class I and II. The event commenced with a wonderful rocket launch by respected Principal Ma'am. It consisted of Astronomy related activities like Shoot the alien, Pop rocketry, shadow matching, Hydrorocketry, telescope watch and many more. The activity stalls were thoroughly enjoyed by people of all age groups from students to parents and even some grandparents who had come for the event. The crowd then witnessed the rarest event of the century and were awestruck by the beauty of the Super Blue Blood Moon. Apart from being a stress buster for the children this was an interactive, informative and fun zone.

- Special Highlights of event: Rocket Launch, Street Play , Telescopic observation
- Photographs of the event:

Students were tied entry bands at the registration table
