Dear Mr.Bahmba,

We thank SPACE for Overnight Sky Observation Trip organized for our students of DPS Greater Faridabad on 9th and 10th October, 2016. The trip was one of its kind and had a perfect fusion of learning and fun. Children and the teachers thoroughly enjoyed the trip. The view of the night sky lighted with the natural light of stars at Sariska was completely mesmerizing. The trip was meticulously planned and executed. It motivated the kids to explore more about the hidden secrets of universe.

We wish SPACE the very best in their future endeavours and look forward to an exciting journey of learning with them.

Ms. Surjeet Khanna.
