FEEDBACK ON OVERNIGHT OBSERVATION

Space organization had organized an Overnight Observation to Astroport, Sariska in Rajasthan for the students of DPS International Saket on 12th of October 2015. Sixty Students of both Module-1 and Module-2 went to Astroport for the Overnight Observation. The arrangements were excellent. The Tents were fully furnished. The educators were very cooperative and assisted the students in all the various activities throughout the night. The students saw many celestial objects including the Vertical Milky Way, many Planets like Saturn, Mars, and Jupiter etc. The food provided to the students was from the organic farm maintained at the Astroport itself.
