Astro Podcast contest for students

Space Technology and Education Private Limited is conducting 'Astro Podcast' contest for school students. The contest is being held from August 10 to 31. School students can create an astronomy-based video and upload it on the Facebook page of Space, <https://www.facebook.com/spacian> and <https://www.youtube.com/user/SpaceinternetTV>. The duration of the video must be two to four minutes.

For details, contact Space Technology at 7338819951, 7338819950.
