◀ Space, Adambakkam recently organised a session to view the moon and the planets on Oct.8 at Sree Sankara Bala Vidyalaya Golden Jubilee School, Pallikaranai. "The students observed the Moon and its craters through telescopes and were also able to see Venus, Mars and Saturn rings as a part of the Planet watch," say the staff. Space can be reached at 7338819951 and info.chennai@space-india.com
