To sum up year 2017-2018 an Astronomy corner was setup by the students of class VII and IX of Bal Bharati Public School, Pitampura on March 17, 2018 with the help of SPACE India, where they made parents and students engaged with the activities like Hydro Rocketry, Shadow Show, Astro-tattoo, Comet Kitchen, Water Clock, Celestial Sphere, Astrophotography, Project Paridhi etc. Student volunteers assisted the parents in understanding the concept and deserve an honorable mention. Everyone enjoyed a lot and had a day well spent with great learning.

Note to the Editor:

About SPACE:

SPACE is a young dynamic company churning out innovative and exciting hands-on astronomy education and astro-tourism services.

The trademark of SPACE is innovation, passion and total commitment to spreading knowledge of astronomy and space sciences amongst the masses. Every project in SPACE is an opportunity for us to communicate our belief in developing scientific temperament to people, especially children, to create an intelligent and analytic global community.
