**Sub: Letter of Appreciation**

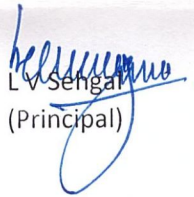

Dear Sir,

I would like to express my heartiest congratulations to you and your efficient team for popularizing Astronomy among students of our school over last couple of years. It is owing to your diligence and dedication that projects like-Paridhi, All India Asteroid Search Campaign, Sally Ride etc have been immensely successful and rewarding for students.

My special thanks to your team, for making learning through hands on activities a worthwhile exposure for both students and parents. We feel immense pride in being associated with your organisation and look forward to many more years of this mutually beneficial association.

We wish your organisation success in all its future endeavours.

Regards

  
L V Sengupta  
(Principal)
