Steps to access student corner account

1. Type- www.space-india.com in your URL address bar. The page shown below will be visible on your system window.

2. Click on STUDENT CORNER tab.
3. Click on the option **SPACE ASTRONOMY CLUB**.

4. Click on the option **LOGIN/SIGN UP**.
5. You will be directed to **LOG IN** page.

![Login Page](image1)

6. If you are first time user, click on the option **SIGN UP** and you will be directed to the page as shown below.

![Sign Up Page](image2)
7. Enter the **Student Unique ID** provided to you by **SPACE India**. Wait for getting it verified. If Unique ID entered will be correct then a green tick will appear.

8. Once the Student Unique ID is verified as correct, enter the **School Code provided by SPACE India** and wait for it to get verified.
9. Once the School Code is verified, enter the **School Location** as shown in the picture.

10. Once the School Name is verified, enter the **School Name**.
11. If the above four inputs will be correct and verified then only you will get the access to fill other fields as shown below. Else you have to enter the above mentioned inputs again.

12. After doing SIGN UP, you will receive an email containing the Username, Password and activation link for your SPACE account as shown in the following picture. Click on the link to activate your account.
13. By clicking on the activation link, you will be redirected to the login page as shown in the following picture.

14. Enter the login details and you will reach the main page. To continue with the site, you need to enter the Module code (In Uppercase) provided to you by SPACE India as shown in the following picture and press ENTER.
15. In case the *ENTER* Button fails to work then go to POP-UP BOX and follow the sequence numbers as shown in the picture below. Then you can re-enter the Module Number.

16. Once the Module Code is entered, you will reach the **new page showing the details of the module.** To access the reading material, you need to scroll down the page.
17. After scrolling down, you will see the tabs as per the name of the SPACE ASTRONOMY CLUB sessions. Bring the cursor on any tab and you will get the list of related materials as shown below.

18. Click on the content that you want to read or download, a new window will open with either containing the download link or with the PDF of reading material as shown below.
19. You can Log out from your account by clicking on the **LOG OUT** tab present at the top of the page as shown in the picture.

Note:-

1. Apart from the sessions, the account also consists posters related to Astronomy, Beginners Guide and all the Observation Logs used during the sessions.
2. If you will click on Download All option, then all the contents related to session will be downloaded in a single file with extension as (.zip).
   You need to have the Win RAR software to extract the downloaded file.
