World Space Week 2019
“National Astrotoon Competition”

SPACE invites entries for the annual WSW “National Astrotoon Competition” for students of classes 1st-12th. School students attend a common venue and make cartoons related to space, and comets and asteroids, and participate in a friendly competition.

Details

- **Categories**
  All students up to class 1st to 12th are eligible to come and participate at the event.

  - Category 1: Class 1st to 3rd (Only one cartoon panel on A-4 Sheet)
  - Category 2: Class 4th to 5th (Only one cartoon panel on A-4 Sheet)
  - Category 3: Class 6th to 8th (Storyline Cartoons strip of 4 to 6 cartoon images on A-3 Sheet)
  - Category 4: Class 9th to 12th (Storyline Cartoons strip of 4 to 6 cartoon images on A-3 Sheet)

- **Theme: The Moon – Gateway to the stars**
  Let your imagination soar the universe! Visualize how space binds us all as one single species. World Space Week, October 4-10, 2019 will celebrate the role of space in bringing the world closer together. The theme is inspired by UNISPACE+50, a historic gathering of world space leaders which will occur in 2018. UNISPACE+50 will promote cooperation between spacefaring and emerging space nations and help space exploration activities become open and inclusive on a global scale.

- **Awards:**
  3 Best Entries in each category will be awarded prizes, which will be announced on the SPACE website in the last week of November. Prizes in each group:

  - 1st Prize
  - 2nd Prize
  - 3rd Prize
  - Most Popular (Facebook Likes)

- **Announcement of Winners:**
  Winners will be announced on SPACE website, http://www.space-india.com/world-space-week/ in the last week of November.

- **Terms & Conditions**
  1. The competition takes place from 4th to 15th October 2019
  3. Only 1 Cartoon Strip per student will be accepted.
4. For Class I to V, the Astrotoon should be plotted on an A4 sheet.
5. For Class VI to XII, the Astrotoon should be plotted on an A3 sheet.
6. Class I to V students have to make a single panel cartoon. Multiple panels will not be accepted. All of their creativities should be done within that single panel only.
7. Class VI to XII students can create multiple panels (Minimum 4 and maximum 6) within the sheet to present their storyline.
8. The student may put their signature at the bottom right corner of the sheet along with his/her name, class and School’s name.
9. Cartoon Strip should be neatly drawn over.
10. Any colouring medium can be used.
11. Students will upload the photo of their astrotoons after properly naming it (student’s name_class_school’s name_city)
12. All the entries submitted will become SPACE property. Further, it can be used anywhere by SPACE.
13. Cartoons will be judged on the basis of originality, technique, style, composition, context, creativity and imagination as well as relevance to the theme. In case of any query email SPACE at outreach@space-india.com
